

FAQ SHEET

- **What does ABA stand for?**
 - Australian Bowhunters Association (<http://www.bowhunters.org.au>)
- **What does IFAA stand for?**
 - International Field Archery Association (<http://www.ifaa-archery.org>)
- **What sort of clothes can I wear around the range?**
 - Casual clothes and wear enclosed footwear;
Wear a shady hat, use sunscreen and drink lots of water
- **What do I do after the three months probation is finished?**
 - Join as a full club member and join the ABA
- **Do I have to join the club to use the ranges?**
 - No ... but you will need to at least join the ABA
- **How do I get range cleared?**
 - One of the coaches will assess you while you shoot arrows at a predetermined target. Coaches will look at your stance, anchor point and follow through etc; once the coaches are confident you are a safe shooter you will be range cleared. Our aim is to get you range cleared ASAP
- **If I am range cleared can I bring a friend around the range with me?**
 - Yes but he/she will need to wear enclosed footwear. The friend can shoot too as long as the friend is a member of ABA
- **If I have my own gear can I come and practice outside coaching days?**
 - As long as you are a probationary member of Lakeside and have your own gear you can practice on the practice range though not the other ranges until you have been range cleared
- **If I am range cleared and don't have my own gear yet can I shoot at competitions?**
 - For interclub shoots no but you can at club shoots (the usual \$5 hire and \$5 shoot fees applies – See the Score Recorder)
- **What happens if I am not range cleared before the 3 months probationary is up?**
 - You will need to join as a full member and continue coming to the coaching sessions until you have been range cleared; but if you have been attending regular coaching we believe you should be range cleared well within the preliminary 3 month period
- **How old do I have to be to be an archer**
 - Our youngest archer is about 6-7 and the oldest would be in the 80's so it's just a matter of inclination and ability and for a youngster a lot depends on muscular development
- **At what age am I classified as a cub or a junior?**
 - You are a Cub till you turn 13 then you become a Junior and a Junior becomes an Adult when they turn 17
- **Where can I buy gear?**
 - **Abbey Archery** - Unit 4, 32 Spine Street Sumner Park, Ph: 07 3279-6400
<http://www.abbeyarchery.com.au/>
