December 2012

Hello all Lakeside Bowman Archers

The interclub shoot last weekend was a success with plenty of Lakeside Archers participating over two great days which wasn't too hot for this time of year. Thanks to the hard working members who set up the challenging course and fed the crowd with a great array of food. It's great to see many new faces participating for the first time and the old faces there as well.

2013 Coaching Sessions

Lakeside Coaches and our new Field Archery Instructors met on Sunday 18th November to plan coaching sessions for 2013. Coaching sessions will be held in 4 week blocks on Saturdays, from 9am – 12 noon during 2013, instead of the usual Sunday morning sessions. Due to the large numbers this year rolling up for coaching sessions, it was decided bookings would need to be taken. Marilyn and Russell will co-ordinate bookings for coaching sessions. Their phone numbers are on the 2013 Lakeside Calendar, so please refer enquiries for bookings to them.

Participants will sign up as Probationary Members on the first day of the 4 week block. No bow hire will be charged on the 1st day but participants will pay \$5 bow hire for the 2nd, 3rd and 4th session.

So come on ladies, put the household chores aside for the afternoon, and come and meet other Lakeside ladies. Lakeside's lady Coach Marilyn, Field Archery Instructor Joanna, and other experienced female Lakeside archers will be available to help with your shooting, along with other female members who will be on hand to meet and greet you. Bring your archery equipment, or if you don't have your own, use the club coaching equipment, learn more about archery, and have some fun!

Membership Cards

As we seem to have an increasing number of people shooting at the club who are not probationary, full members, or ABA members we ask that when you are at the club please display your club membership card, either on your shirt or on your quiver. We are in the process of issuing all members with a plastic cover to keep your membership cards in, so if you are at the club and don't have a plastic cover, ask for one. Unauthorised people shooting at the club pose a risk to every member who may be there lawfully, as they have not been part of the Club coaching session, or understand the safety aspects of the sport. If there is an accident these people are not covered by the Club or ABA for insurance purposes.

Members Sign In

From now on, could ALL members Please sign the register book before practice or going out on the ranges. This is to help the club to keep a record on who is using the club facilities. It also may help in future funding for grants. Non members are also required to pay \$5:00 and must be ABA members.

Membership Draw - November

Robert Kuykens was the name pulled out of the bucket for the \$100 Club Membership Draw at our Club shoot in November. **Sorry Robert, you weren't there for the draw, so it jackpots to \$120 for our Club Championships shoot on Sunday 11th November. If your name is picked out, you need to have registered for the shoot, or be working in the canteen, and be present for the draw.**

2013 National Safari

This event will include the National IFAA, ABA and 3D Championships being held at Alice Springs, with National IFAA commencing the week before Easter. Details of this event will be included in future Archery Actions. All ABA members can compete and will be graded according to the equipment they shoot, and their shooting ability.
