CANTEEN COORGINATOR Jane (sarge) Bell

RANGE CAPTAIN Neil Hope

ASST RANGE CAPT. (TRAD PEG) Peter van der Molen

ABA CLUB REPRESENTATICE Allan Hall

PRO Jason Tilgals

WEBSITE COORDINATOR Dale Draper

BOWHUNTING REPRESENTATIVE Dave Pender

2016 Started early in January with the ifaa mail match ,1st club shoots in Feb and March Branch aba titles at Barambah and branch interclub at Lakeside our club was well represented in all of these events with lots of members taking a medal home great to see we have some good shots at lakeside ,well done .If you have never been to an interclub or club shoot you are missing out! Some say competitions are only for good archers! This is not the case at all comps are all about a good time with likeminded people enjoying our sport. We have some new club shoots on the drawing board inc a night 3d shoot on the practice range and some kids orientated days. I will have more info out on these very soon.

The National Safari was held over the easter break with 2 members doing us proud.

Congratulations to Dave McGuire and Allan Hall both taking out 1st place in their divisions Well done gentlemen.

Whats coming up in April / May

21st - 22ndState ABA Titles Capricorn

28th - 29thBranch Shoot Renegades

Good News for IFAA shooters

The yellow aba range will be closed from Sunday the 10th after the club shoot till the world titles in September. This is to allow the IFAA Range to be open for practice 7 days pw for the next few months leading up to the State titles and World titles. A reminder sign will also be placed on the open /close sign near the clubhouse.

Trad peg for Ifaa-Tim Stone has been quietly working on a trad shooters division the details are to be worked out but what I can tell you is it has been approved by the committii and will be taken to aba and the WFAC for consideration! In the mean time trad shooters are encouraged to try ifaa using the cub pegs. Ifaa practice days will be organized and dates posted on our facebook page and on our website.

Around the ranges

We had our first working bee a few weeks back with a big day put in by everyone who came to help, the ifaa range was cleaned with new bails and new targets put out. If you are out on the ifaa range please put any loose targets back on properly with 4 hooks, this keeps it nice for everyone. Like wise the aba ranges have been done up with many new bails and new targets, we now have a good supply of vinyl aba targets, The practice range also has a good supply of targets. Shortley the Ifaa practice/sighting in range will have new distance markers for both yards and meters. Over the next 12mths there will be some changes to the ranges that will enable us to hold a variety of shoots on different range combinations.

Targets-everyone please ensure that when you are using the ranges that you leave the target face neatly pinned back on the bail if it comes away while pulling arrows. Shooting pegs PLEASE DO NOT MOVE THEM If you are not comfortable with the shot don't shoot it.

In closing I would like to remind you all that Lakeside is your club the committii welcomes your ideas and suggestions this is easily done on our website/ facebook page or just bring it up at a club meeting.

Information links - below is a list of archery links that will answer a lot of questions about your sport

ABA www.bowhunters.org.au

Lakeside <http://lakesidebowmen.com.au/>

World field titles Wagga Wagga <http://www.wfac2016.org/>

Facebook page www.facebook.com/groups/Lakesidebowmen/

That's about it for now may your arrows fly strait.

See you on the Ranges

Jason Tilgals VP
